Our Mission

The Canadian Federation of Fiji Organizations (CFOFO) aims to support young people within our communities through engaging and meaningful community projects. CFOFO is hopeful that the participation of youth through our initiatives will not only help encourage and empower youth, but will also divert youth from becoming susceptible to undesirable elements and distractions. CFOFO's programs enable youth to identify role models, become mentors, and display leadership skills. With your support, our activities will continue to bring betterment to our communities today and in the future!

Our Youth Programs Have Helped:

- Expose youth to unique opportunities
- Increase self-esteem and confidence
- Foster peer support and teamwork
- Instill leadership and motivational skills
- Impel youth to make positive decisions

Our Initiatives

CFOFO has and continues to host several youth workshops and events that support and motivate young individuals. For starters, we provide a safe and open environment for mentorship and volunteer opportunities through our Youth Committee team, where youth can enhance their knowledge and practice skills that can be applied to their personal and professional endeavours.

Our highly anticipated Youth Talent Show (YTS) has become an annual family friendly event that provides a platform to youth ages 25 and under to showcase their talents, whether it be through dance, song, music, a motivational speech, art or writing. Participants receive trophies, certificates, and gifts in recognition of their participation.

We also recognize youth for going above and beyond expectations by awarding Post-Secondary Educational Scholarships as well as Volunteer Service Awards to those who have volunteered in their community.
